### **F. Curriculum Committee**

The curriculum committee shall include the superintendent, high school principal, elementary principal, 3 board members, and 2 parents (one parent of a high school student and one parent of an elementary student). The curriculum committee will plan the school curriculum so that Montpelier Public School will receive and maintain accreditation.

Annually, after reviewing the recommendations of the curriculum committee, budgetary data, other pertinent information, and ensuring the curriculum meets all requirements under district policy and law, the board shall approve the curriculum for the upcoming school year. The superintendent shall assist in the approval process to ensure the curriculum is comprehensive and meets all applicable legal requirements.

During the course of the school year, the curriculum committee may suggest improvements and changes to the curriculum, and such changes may be implemented administratively by the superintendent and his/her designee(s) as the superintendent deems necessary and educationally sound. The superintendent shall report to the board prior to implementing such changes.
