

J. Driving Cars

Students are prohibited from driving during the school day without prior approval from the administration unless a leaving of school grounds waiver has been signed by parents. All students will park in the north or east parking lot away from the school building. Please remember to keep driveways clear and the bus loading areas clear. When going or coming be especially careful of younger children who may not understand the danger of automobiles! The speed limit on or near the school grounds is 15 MPH.

Amended 7/18/2018
