

R. Parties:

Only students registered in the high school may take part in any party, except when special arrangements with the administration are made permitting students to invite guests.

Facilities must be left in the same condition as which they were found.

A request for a party or social activity must be made one month in advance. The date may be changed due to unexpected circumstances.

The chaperone will notify parents when a student leaves a school party or social activity any earlier than one-half hour before closing time. Once a student leaves the building, he or she will not be readmitted to the party or dance.
