

H. School Activities

The school plant shall be available for school activities that have been approved by the superintendent, and each activity shall be properly supervised by faculty and staff. School activities, other than events of religious character, may not be held or scheduled on Sundays.

Wednesday evenings shall be considered church night and school activities should be scheduled on other nights.

A master calendar will be located in the main office. No events should be scheduled without consulting the master calendar. The administration has final approval on scheduling.
