

**BG. STUDENT ASSEMBLIES (Descriptor Code FFG)**

Generally, school administrators will determine or substantially control the content of what is expressed at student assemblies. In such cases religious expression will not be permitted as the religious expression may be attributed to the school or seen as an endorsement of a particular religious belief or expression. However, in the instances where students are selected to speak at assemblies based upon neutral selection criteria and where the student speaker has primary control over the content of the oral presentation, the school will not restrict the student speech because of its religious or anti-religious content. In such cases, school authorities will publicly clarify that the content of the student's speech is the speaker's opinion and not the schools.
