

## Montpelier Public School

### **AB. Student Dress**

Proper clothing contributes to an atmosphere that is conducive to learning. Clean, modest apparel helps one keep his/her personal dignity and respect. Our dress code at Montpelier High School has very few restrictions. We simply require students to wear clothes that are clean and neat, and that do not violate health and moral standards or carry messages that violate school policy. Shoes must be worn at all times. Caps and outdoor coats are not to be worn in the building unless circumstances require it.

Students will be asked to cover over or change clothing/hats that show drugs, alcohol, or profanity; tops that do not cover the midsection; shirts that have the sleeves cut or ripped off; tops that do not have a strap of at least 1 1/2 inches in width. Shirts or tops that reveal excessive cleavage are deemed inappropriate. Short shorts and skirts that are shorter than mid-thigh will be deemed as inappropriate. Students with jeans and/or pants that hang down to reveal underwear will not be allowed.
